

Accounting & Finance

Why Lloyd Morgan?

With a depth of understanding unrivalled in the market, the Accounting & Finance team has completed assignments for a broad range of clients from local SMEs through to 'Blue Chip' listed entities and locally based divisions of multinational organisations.

We are experts in our field and offer a truly consultative approach in a strongly relationship-driven, sustainable and collaborative environment. With our extensive networks, market knowledge and technology, we are confident that we can deliver the best outcomes. We pride ourselves on our understanding of not only our client base but also the movements within the candidate marketplace. It is not unusual for our consultants to have partnered individuals through their careers and assisted them on several occasions to secure their next career move.

Consultants

One of the most experienced teams in the placement of Accounting & Finance professionals, the team at Lloyd Morgan possesses a wealth of experience in the local market, as well as a strong understanding of and operational exposure to the national and international market place. The team is a mix of seasoned recruiters and industry professionals.

The team at Lloyd Morgan is structured to provide a wide scope of experience across the different industry sectors including Energy, Mining & Resources, Engineering, Construction, Property Management, FMGC, Retail, Health, Banking & Financial Services, Professional Services, SME businesses.

Candidates

In the current climate, most professional disciplines across industry are at record lows, with shortages hitting businesses hard. Because of this it is even more vital to apply a confidential, collaborative approach in assisting our candidates in furthering their careers. This is when the insight and expertise of our consultants is vital, as they are up to date with latest recruitment trends, salary expectations, inside information and general industry knowledge. Most of our consultants are members of industry associations relevant to their particular disciplines so meet regularly with the people that they recruit for, and receive latest media and industry news first hand.

Clients

Our clients are among the best known and well established, and have relied on our services for a number of years, often following a particular consultant. This relationship driven style has been built around our consultants' reputation and success in the market place, with the trust and confidentiality bestowed upon them paramount to their success. Dialogue is always open and honest, and advice is both received and given in equal measure, more often than not resulting in a timely and successful outcome.

If we can assist you or your business, we look forward to having a confidential discussion to take you to that next level.
